

**Position title: Technician / Mechanic**

- Electric Mobility Scooters
- Permanent full time
- Repair and servicing electric vehicles
- Lane Cove, Sydney

Brief description: Working with small friendly team based in Lane Cove you will be responsible for repairing and servicing electric mobility scooters, electric wheelchairs and other mobility equipment, both in the workshop and in customers' premises.

Scooters Australia is one of the longest established in the industry and has led the market in many innovations over the last 20 years. The original owners still run this small and dynamic company, which is currently expanding its locations Australia wide.

**Essential Skills/experience:**

- Demonstrated mechanical and / or auto electrical experience
- Good diagnostic skills, especially in electrical fault finding
- Customer service skills
- Friendly and competent phone manner
- Physically fit, reliable and hard working
- Ability to relate to the elderly
- Ability to work on your own
- Clean license

**Desirable Skills/experience**

- Experience in electronic diagnostics
- Data base skills
- Electric vehicle experience

Remuneration: \$45,000 plus bonuses plus super. A van is available for travel to and from work. Some tools supplied.

**To Apply:**

Applications must include a statement about why the applicant considers they fit the job role as identified above.
